Parking

Parents and carers are asked to park considerately when dropping off or picking up their children.

Unfortunately we do not have enough room in the school car park to accommodate parents so we ask that this is not used for Health & Safety reasons.

Parents can use the Catholic Club car park on Chapel Lane. We are usually allowed to make use of St Michael's car park however, from Monday 11th September work will begin on repairs to the Parish Hall and thereafter the redevelopment of the land. Unfortunately this will mean that parents and carers may not have access to this.

We do understand how difficult it is to park in the local area during busy times. We would ask for your support to ensure the safety of our children and to maintain good relationships with our neighbours.

As this week there was a very close near miss of a pupil at our school

School Safety

Parents / Carers are reminded that before and after school children should not use the climbing equipment or ride bikes / scooters on the playground.

This is for safety reasons.

School Dinners

Parents are asked to note that as from 1st October 2017 there will a price increase in the cost of school dinners, this will change from £2.20 per day to **£2.30 per day.**
