Water Bottles

Parents are reminded that each day their child should bring a water bottle to school that they can access throughout the school day. Unfortunately, we do not have drinking water facilities in each classroom.

NUT FREE ZONE!

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

CONGRATULATIONS!

Congratulations to Miss Neale, now Mrs Walsh, who got married over the Summer holiday.

I am sure you join us in wishing Mr and Mrs Walsh every happiness for their future together!

Parking

Parents and carers are asked to park considerately when dropping off or picking up their children.

School Safety

Parents / Carers are reminded that before and after school children should not use the climbing equipment or ride bikes / scooters on the playground.

This is for safety reasons.

Unfortunately we do not have enough room in the school car park to accommodate parents so we ask that this is not used for Health & Safety reasons.

JUNIOR PARK RUN

Parents can use the Catholic Club car park on Chapel Lane. We are usually allowed to make use of St Michael's car park however, from Monday 11th September work will begin on repairs to the Parish Hall and thereafter the redevelopment of the land. Unfortunately this will mean that parents and carers may not have access to this.

We do understand how difficult it is to park in the local area during busy times. We would ask for your support to ensure the safety of our children and to maintain good relationships with our neighbours.
